

HOUSEME HELPERS - CONTRACT WORK AVAILABLE

HouseME

offers you the opportunity to earn additional income whenever and wherever suits you best.

ABOUT HOUSEME

HouseME is one of South Africa's most promising tech start-ups. It is disrupting the rental property industry by providing tenants and landlords a digital platform through which to find and manage properties, at a fraction of the cost of traditional agencies.

What is expected of me?

-  Onboarding our properties
-  Facilitate property viewings
-  Conduct property inspections
-  Handle prospective tenant communications

What's in it for me?

-  Make money in your spare time
-  Set your own schedule
-  Get paid per task completed
-  By helping us build our vision, you'll be a part of one of the most exciting South African start-up stories.

Are you what we are looking for?

-  Are you friendly and enthusiastic?
-  Do you have a flexible schedule?
-  Do you have access to personal transport?
-  Do you have access to a computer?
-  Do you own a smart mobile phone?

If you think you are a fit, get in touch!
