ABOUT HOUSEME

HouseME is one of South Africa's most promising tech start-ups. It is disrupting the rental property industry by providing tenants and landlords a digital platform through which to find and manage properties, at a fraction of the cost of traditional agencies.

Our work environment is open, friendly and collaborative. We value ideas over unnecessary bureaucracy so encourage transparency and communication across the board. At the end of the day, you will be part of a team that works hard towards our ambitious goal of redefining the rental space.

What will you be doing?

- Support in one of the following departments: Billing, Renewals, Tenant Success, Landlord Success, Communications, Marketing, Value Added Services and Special Projects.
- You will be placed in one of the departments based on your interest and skill set.
- Depending on which department you are matched with, your responsibilities could include tasks such as research projects, calling customers, creating marketing materials, responding to customers, performing data analysis, writing blogposts, helping manage our social media, assisting customers in using our platform, and more.

Are you what we are looking for?

- Do you have an entrepreneurial flair and are you keen to get experience in a tech startup?
- Are you hardworking and self-motivated?
- Are you able to work independently?
- Are you comfortable asking questions when you are unsure?
- Do you have access to transport- public or personal?
- Are you computer literate and comfortable using Google Suite?
- Do you own a laptop?
- Are you able to commit to a minimum internship period of 4 months, 5 days a week, 8 hours a day?

What do you get?

- Great work experience in a startup environment
- A work reference from HouseME
- Daily stipend to cover lunch and transport
- Senior team mentorship
- Free tea and coffee

By helping us build our vision, you'll be a part of one of the most exciting South African start-up stories.
